## Educational Objectives of the Master of Arts Program

In addition to the College's general educational objectives, the Master of Arts program is designed to promote growth toward personal maturity and ministry competence in the practice of nouthetic biblical counseling. The objectives of this program are accomplished through classroom instruction, the modeling of professors, the practice of ministry through the Go! Program, chapel services, and student organizations.

## Foundational Studies

The Master of Arts program seeks to guide students to develop the ability to understand and interpret the Christian faith in light of its biblical, theological, and historical dimensions and to utilize insights gained from these disciplines for the effective practice of ministry in the church, the community, and the world.

## Essential Skills for Service

The Master of Arts program seeks to guide students to understand, develop, and utilize the essential skills for the effective performance of leadership roles in the church, including education administration, staff relationships, teaching, age-group ministries, program evaluation, evangelism, and missions.

## Personal Growth and Professional Development

The Master of Arts program seeks to guide students to develop lifelong patterns of continuing personal spiritual growth and professional development.
