

DATES FOR STUDENT ADMISSION AND REGISTRATION

Registration Schedule

First-time students are encouraged to enroll in the fall semester. Many multi-semester curriculum offerings, particularly biblical languages, begin only in August. Students may, however, enroll at the beginning of any of the academic semesters. The registrar's office will advise prospective students of specific dates, and registration dates are listed on the academic calendar (<https://www.mabts.edu/academics/academic-resources/academic-calendar/>).

Deadlines for Application

Application deadlines are published in the academic calendar. Application for admission and all supporting documents should be received by the admissions office by the registration deadline to allow processing and consideration by the Admissions Committee. Students may register for classes, sign up for a payment plan, or apply for scholarships only after receiving notification of admission approval. (Doctoral students should refer to the respective program guidelines for information regarding application.)
