

# THE SCHOOL YEAR AND THE ACADEMIC WEEK

---

## The School Year

The regular school year is comprised of the fall semester (beginning in August) and the spring semester (beginning in January). Residential classes meet 50 minutes a day, three days per week (Tuesday through Thursday) throughout the semester. Three credit-hour evening courses meet two and one-half hours one day per week.

## The Academic Week

Classes meet Tuesday through Thursday of each week from 8:00 a.m. to 2:20 p.m. and evening courses normally meet from 6:00 p.m. to 8:30 p.m. on Mondays. Outside commitments conflicting with courses at the regularly scheduled times should be avoided.
